## EDUCATION

---

### Denison University

*Bachelor of Arts in Anthropology and Sociology, Bachelor of Arts in Spanish*

**GPA: 3.86**

**Awards and Honors:** *Magna Cum Laude, Phi Beta Kappa Academic Honor Society Member, Alpha Kappa Delta International Sociology Honor Society and Lambda Alpha Honor Society, Anthropology/Sociology and Spanish Fellowships, Modern Languages Financial Award Recipient*

**Granville, Ohio**

*Fall 2018-Spring 2022*

## EXPERIENCE

---

### Web Development, Coding and Data Analyst

*Personal Development*

**Annandale, VA**

*Fall 2022-present*

- Taught myself to code with Python taking the Python Institute Essentials course (PCEP-30-02) and online practice forums
- Received certificate from IBM's Coursera Data Analysis with Python course.
- Used Python to script prediction models into ArcGIS Insights to create visual representations of Covid-19's viral patterns for 2023.
- Designed and constructed a multi-page, interactive, portfolio website featuring my projects, experience, and skills. Used HTML, CSS, Python, Jinja2, Docker, Heroku, Git, AWS Route53, and Visual Studio code.

### Bookseller and Barista

*Barnes & Noble, B&N Cafe*

**Merrifield, VA**

*Summer 2022 – Present*

- Multitasking bookselling, customer service and merchandise management, while running B&N Cafe operations.

### Consultant

*Red Frame Lab*

**Granville, Ohio**

*Fall 2021 – Spring 2022*

- Consulted growing companies around the Columbus area on creating donor profiles, customer outreach plans, development funding models and product reviews during semester long partnerships with the client. I took the leadership role among the consulting teams to organize client and team meetings, take and distribute notes, assure constant communication between the teams and clients, and leading discussions.
- Partnered with Charitable Healthcare Network and Buzzsaw Brewing Co. to construct funding plans, analyze donor profiles, research consumer habits and patterns, create reliable customer bases, propose loyalty program options and suggest methods for expansion.

### Investigative Journalism Internship

*Denison University*

**Annandale, VA**

*Summer 2020*

- Created a podcast series called “The Covid Accounts” based on interviews from Denison’s POSSE and international students about navigating life during Covid-19, highlighting the diverse experiences of people living through a global pandemic. Funded by the university, I aimed to document students’ stories, research and analyze the continuous social effects of the virus, and suggest potential actions to aid the students

### Radio Show Host

*WDUB 91.1*

**Granville, Ohio**

*Spring 2019 – Spring 2020*

- Hosted, and produced a radio show, featuring more than 30 students retrospectively on weekly interviews with students on campus, discussing how current controversial topics such as race, gender, sexuality, and politics, interact with their identities, beliefs and experiences, aimed to bring new perspectives to the Denison and larger community in a time of growing polarization and close-mindedness.
- honed my interviewing skills while learning live and post-production sound editing.

### Class of 2022 Senator

*Denison Campus Governance Association*

**Granville, Ohio**

*Fall 2019 – Spring 2020*

- Represented my class year on the senate floor by discussing and voting on major governing decisions on topics ranging from funding budgets to amending Denison’s constitution. This position included my extensive involvement with the Public Relations and Dining Committees.
- Headed the Dining Committee, where I regularly met with Bon Appetite to bring a larger variety of healthy food options to dining halls as well as advocating for culturally inclusive food options specifically requested by international students.

## VOLUNTEER WORK AND TRAVEL

---

*Extensive travel and living in Central America, Europe, North Africa and Asia*

*Spring 2016-Present*

- **Coffee Plantation Volunteer** - Lived on a plantation in Corona, Nicaragua, assisted in harvesting and preparing beans for distribution.
- **Inner City Daycare Volunteer** - Oversaw a Costa Rican government sponsored daycare in Cartago, teaching kindergarteners basic skills ranging from communicating in Spanish to fine motor and social interaction practices, working full time on a daily basis with up to 15 children.
- **Syrian Refugee Camp Volunteer** - Ran camp logistical operations at Ritsona (Greece) with international NGOs. Provided laundry and clothing distribution services to families inhabiting the camp, managing the transaction systems and supporting every-day social situations.
- **Haitian Day Camp Volunteer** - Organized, fundraised for and ran a day camp in Port-au-Prince for over 50 local children.
- **Construction Volunteer** – Built and transported material to construct homes in Managua, Nicaragua, while aiding my local homestay family with everyday tasks and needs such as cooking, cleaning and running errands.
